A screenshot of the Ableton Live software interface. The top bar is visible, showing various controls and buttons. On the left, there is a 'full' button with a circular arrow icon. Next to it is a star icon, followed by a list icon, a question mark icon, and a stack of three horizontal lines icon. To the right of these icons are several other buttons: a guitar icon, a circular arrow icon, a person walking icon, and a blue play button labeled 'ORIG.' with 'SYNTH' written below it. The 'ORIG.' button is highlighted with a red box.
